

Jonathan Kates, M.D.

Comprehensive Diagnostic Center (CDC) is now scheduling with Jonathan Kates, M.D.! He is presently in a full-time practice a forensic orthopedics, providing independent medical examinations, defense medical examinations and record reviews. I provide defense and plaintiff reports. With over 47 years' experience, He graduated from JEFFERSON MED COLL-THOS JEFFERSON UNIV in 1975. He has been performing independent medical evaluations since 2008 and is fluent in the use of the American Medical Association guides for the evaluation of permanency. Along with many different affiliations, Dr Kates is on the American Board of orthopedic surgery from 1983 to present & the American Academy of orthopedic surgery 1984-present. We are excited to be officially scheduling for Dr. Kates!

Please call CDC to schedule with Dr. Kates or any of our other providers! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or visit our web site at:

www.cdcime.com

-  All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
-  CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request
-  A certified disability specialist/case manager is always available for consultation or assistance

CDC has over 30 years of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.
