www.cdcime.com

-  All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
-  CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request
-  A certified disability specialist/case manager is always available for consultation or assistance

CDC has over 30 years of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.

Going the Extra Mile to Coordinate and Deliver Quality Services:
